## Behold the Lamb Ministries

April/May, 2012

**"Now, my God, let, I beseech thee,  
thine eyes be open, and let thine  
ears be attent unto the prayer  
that is made in this place."  
II Chronicles 6:40.**

Hello Friends! Our focus this month is on "PRAYER." Often over the years, we have sent only a prayer list to those of you on our mailing list. And we hope that you take these individual requests seriously before the Lord. We are a people in dire need of God's leading, guidance, protection, and life altering power. Remember, the Bible teaches that we have not because we ask not. So take a few moments of your day to ask God, along with us here at BTLM, to see, hear and answer our prayer requests as He sees fit. And may your walk with Him become sweeter each day as you labor in prayer for others! May our Lord richly bless each of you,  
Pastor Kenny, Sister Chris and your BTLM family

—Pray for BTLM. The mission field has broadened for us while the finances are continuing to shrink. We realize it is mostly a result of our countries economic distress; but nevertheless, we cannot continue to stay above water, as it were, without some financial relief soon. Therefore, if you value this ministry in any form or fashion, please pray for God to send needed finances and ministry help to continue our march forward—this is urgent. Thanks.
