“Momentous Struggle Before Us”

August, 2014

“We ought to obey God rather than men.” Acts 5:29.

“A great crisis awaits the people of God. A crisis awaits the world. The most momentous struggle of all the ages is just before us. ... The question of enforcing Sunday observance has become one of national interest and importance. We well know what the result of this movement will be. But **are we ready for the issue? Have we faithfully discharged the duty which God has committed to us of giving the people warning of the danger before them?** ...

“There are many who have never understood the claims of the Bible Sabbath and the false foundation upon which

the Sunday institution rests. **Any movement in favor of religious legislation is really an act of concession to the papacy, which for so many ages has steadily warred against liberty of conscience.** Sunday observance owes its existence as a so-called Christian institution to “the mystery of iniquity;” and its enforcement will be a virtual recognition of the principles which are the very cornerstone of Romanism. When our nation shall so abjure the principles of its government as to enact a Sunday law, **Protestantism will in this act join hands with popery; it will be nothing else than giving life to the tyranny which has long been eagerly watching its opportunity to spring again into active despotism (absolute power or authority).** ...

“If popery or its principles shall again be legislated into power,

the fires of persecution will be rekindled against those who will not sacrifice conscience and the truth in deference to popular errors. This evil is on the point of realization.

“When God has given us light showing the dangers before us, **how can we stand clear in His sight if we neglect to put forth every effort in our power to bring it before the people?** Can we be content to leave them to meet this momentous issue unwarned? ...

“When the laws of earthly rulers are brought into opposition to the laws of the Supreme Ruler of the universe, then those who are God’s loyal subjects will be true to Him.” *Maranatha p. 131.*

This burden of warning is ever before us here at Behold the Lamb Ministries. Without fail, the Lord impresses us in this direction in the written word and our recorded

messages. He has impressed us to step out in faith and offer books to help others in their study of our message. Books such as, *The Mark Of the Beast, The Great Controversy* (in its entirety), and *Prophet Of the End.* All are being offered free of charge to as many as call/write in for them. We have been blessed to receive requests for other books and materials offered free of charge as well. We don’t want a price tag to hinder a searching soul from obtaining God’s messages that He’s given just for them. And so we pause here to thank our faithful partners for making this, and so much more, possible! And we wish to encourage others to join us as a soul-winning partner in supporting the work of this ministry. Our purchasing and mailing expenses are great; but, we serve a God who is GREATER! We believe that our Heavenly Father will indeed

“When God has given us light showing the dangers before us, how can we stand clear in His sight if we neglect to put forth every effort in our power to bring it before the people?”

“Momentous Struggle Before Us”

<p>impress upon your hearts the urgency to get this last message of love and warning out as best, and as fast, as we can together. Recently, a sister in Christ from our local BTLM church called and stated by phone that she had listened to a CNN report on Pope Francis' call for families to be together each Sunday. Supposedly, they (the reporters) were commenting on how nice it would be for businesses to be closed to allow such family time to occur. In fact, it was published July 25, 2014, on Fox News Latino, that the Philadelphia Archbishop Charles Chaput said that, “Pope Francis has told me that he is coming”—coming to America in 2015 to attend another “World Meeting of Families.” And CNN World is currently reporting on their website that, “Pope Francis has ex-</p>	<p>pressed his intention to visit the United States next year ... The pope would attend the</p> <p><i>“To the law and to the testimony: if they speak not according to this word, it is because there is no light in them.” Isaiah 8:20.</i></p> <p>eight World Meeting of Families, which has been held every three years since the late Pope John Paul II convened the first such gathering in 1994. ... the meeting will be held September 22-27, 2015, in Philadelphia.” Without a thorough understanding of God's Word and His warning message for these last days to come out of religious confusion, all of this seems innocent and good. It's cloaked in the sympathetic and real emotions of the need for more family time—family time on Sundays. The great deceiver has so orchestrated it as such. Our world is ripe and</p>	<p>nearly ready to accept the final events of this world's history as outlined in Scripture. As we witness the horrific events of disasters by land, air, and sea continue to increase in frequency, the hearts of the masses will cry out in ignorance for help and a new direction. And the enemy of souls will supply them with what they will believe to be true in hopes of uniting the world back in favor with Heaven. But, be warned, “To the law and to the testimony: if they speak not according to this word, it is because there is no light in them”! Isaiah 8:20. This world is in a drunken state of spiritual confusion. Our only safeguard is to stand firm on the Biblical pillars of truth! And this can only be done as we prepare our hearts and minds with a daily experience in God's Word—and thus, filling</p>	<p>our human vessels with the presence and power of the Holy Spirit to will, and to accomplish, the Father's work within, and through, each of us! Each day that passes, is one less day to warn the masses. Please, join with us in support of this work; God's work of preparing a harvest of faithful souls to replenish Heaven while we yet have the opportunity to so. God is leading and guiding; we simply need to follow and take advantage of the doors that He has opened for us. Night is coming. We must be about our Father's business while it is yet day! Don't put off until tomorrow what the Lord is impressing you to do today! He will bless you as you do.</p> <p>In His service, Pastor Kenny, Sister Chris and your BTLM Family</p>

For those of you who found insight into the enemy's work through spiritualism and could see prophecy being partially fulfilled as the “daughters” of the “mother church” were being called back into unity in a very bold fashion through an Anglican bishop, Tony Palmer, you may be interested in knowing that on Sunday, July 20, 2014, he died after experiencing a motorcycle accident in the United Kingdom. It is reported that Palmer served as the director of the South Africa office of Kenneth Copeland Ministries. It has further been speculated that Kenneth Copeland may continue Palmer's work in uniting the Catholic church with what Palmer said no longer existed: Protestant Churches. And one must agree, for the most part, that Protestantism has died—they have forgotten what God brought them out of!

Ministry Updates

Just a quick update on equipment. First and foremost, **God bless all of you** who sent finances marked especially for equipment! That was of tremendous help. We unfortunately didn't reach our goal of \$4,000.00, but everything that came in was a blessing. The not so good side of this equipment issue is that our DVD/CD duplicator quit working as well. We were blessed to borrow a couple of used machines for a short while; but, they too had serious issues. So we had to finance a new one. This was not in the equipment budget we gave you a few months ago; nor was it the equipment we were hoping to purchase, but it was the equipment we had to get if we were to continue our outreach! Therefore, if the Lord should impress you to do so, we could really use some help in getting this paid for. Thank you so, so much!!!

The first week in **August** we are blessed to attend **ASI in Michigan**. Danny Shelton called and gave the invitation and we cordially accepted. We will be set up at the 3ABN booth—so we hope to share Jesus there with all who attend!

September we will be attending the **3ABN Fall Camp Meeting**. Can't believe it is just around the corner! Check their website for more details at: www.3ABN.org, and plan to attend.

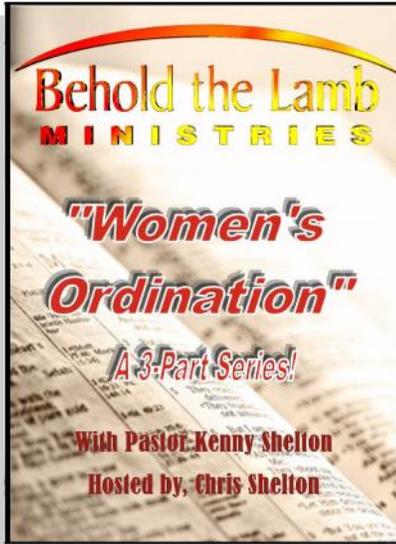

October 25-November 1, 2014, we will be joining Pastor Eugene Anthony for a week of Prayer to be held at the **Present Truth Seventh-day Adventist Church**. The church is located at 3949 East 131 Street, **Cleveland, Ohio, 44105**. Pastor Anthony is planning for this week of prayer to be a week that will interest Adventists and non-

Adventists alike. We are to keep reaching out! And we are very grateful for this opportunity to personally be in Ohio to do just that. **So plan to join us**. We would love to meet YOU in person! You may call Pastor Anthony for more information at: 330-212-3800. This is a cell phone, so text him if you wish.

In **November**, we are planning to take part in the "**Anchors Of Truth**" series that will be focusing on the **30th anniversary of Three Angels' Broadcasting Network**. Pastor Kenny will be taking part in joining with his brother, Danny Shelton, accompanied by several other special guests. Check 3ABN's TV guide for times and dates of November's "Anchors Of Truth" series—we hope you will plan to tune in! We know that God will have a blessing for all who do.

Ministry Updates, Continued ...

We just finished recording a new series on a very controversial issue. The title says it all, "**Women's Ordination.**" We have received several inquiring phone calls asking what Pastor Kenny's biblical position on this topic is and if he would present a message on this issue. So

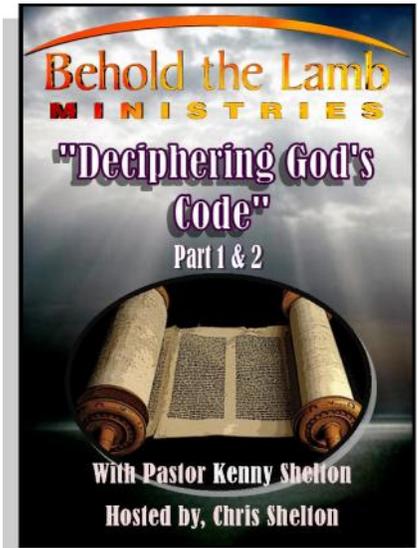

by the grace of God, he has done just that. It is a three-part series

balancing Scripture with what is written in the Spirit of Prophecy. It is available for order NOW for a love gift of just \$23.00, or more. God is looking for both men and women to be fitted for His soul winning army. So, it is very important that we gain a proper understanding on this issue to function as Christ would have His church to function.

We are currently in production of a two-part series entitled, "Deciphering God's Code." Through this series, we are taking another look at God's Ten-Commandments and how they really reveal who God is; what He likes; and what He would like for us to become like. They are a "transcript" of His character. They are of such importance that He chose to write them on tablets of stone, Himself, with His very own finger! They are the standard of righteousness by which each of us is to be judged. In other words, we will be judged by the character of God Himself—do we fully reflect

His character? or have we chosen to reject His character? With such importance associated with the law, it certainly demands much of our attention and study. This two-part series is available for a love gift of just \$15.00, or more. We hope you will order your very own set soon.

And don't forget to ask about our "sharing" price when you call!
