

Behold the Lamb MINISTRIES

ARE YOU READY FOR THIS?

“In these **final hours of probation** for the sons of men, when the fate of every soul is so soon to be decided forever, the Lord of heaven and earth expects **His church to arouse to action as never before**. Those who have been made free in Christ through a knowledge of **precious truth**, are regarded by the Lord Jesus as His chosen ones, favored above all other people on the face of the earth; and He is counting on them to show forth the praises of Him who hath called them out of darkness into marvelous light. **The blessings which are so liberally bestowed are to be communicated to others**. The good news of salvation is to go to every nation, kindred, tongue, and people....

“The coming of Christ will take place in the **darkest** period of this earth’s history. The days of Noah and of Lot picture the condition of the world just before the coming of the son of man. The Scriptures, pointing forward to this time, declare that Satan will work with all power and ‘with all deceivableness of unrighteousness’ (2 Thessalonians 2:9, 10). **His working is plainly revealed by the rapidly increasing darkness, the multitudinous errors, heresies, and delusions** of these

last days. Not only is Satan leading the world captive, but his deceptions are **leavening the professed churches** of our Lord Jesus Christ. The great apostasy will develop into darkness deep as midnight. To God’s people it will be a night of trial, a night of weeping, a night of persecution for the truth’s sake. But out of that night of darkness God’s light will shine.” *Prophets and Kings*, pp. 716, 717.

“**The church is God’s appointed agency for the salvation of men**. It was **organized for service**, and **its mission is to carry the gospel** to the world. From the beginning it has been God’s plan that through His church shall be reflected to the world His fullness and His sufficiency.” *The Acts of the Apostles*, p. 9.

We encourage you to reread and fully digest the quotes given above. Whole books could be written to explain in depth their meaning! There should be no question that we are in the final “hours” of earth’s probation—**our** probation. Even persons who are not avid Bible students realize that something ominous feels like it is soon to happen. Hollywood has portrayed this thought with movies such as “2012” depicting

a catastrophic end of life as we know it. But those whose minds have been made “free in Christ through a knowledge of precious truth” have a more accurate depiction of what is in the process of taking place in this very hour.

Arise Church! the instruction here is given. Arise to action **AS NEVER BEFORE!** Begin by asking yourself just how precious are your loved ones to you? How precious are your children? What road are they being led down? The road that leads to eternal bliss in a Heavenly kingdom? or the road the enemy of souls has polished and made to shine so bright and enticing BUT will lead them to an everlasting separation from God and His kingdom— its the road that leads straight to hell. Oh dear friends, take this to heart—this is reality. We do so very much to protect our children from a minor scrape or burn, but what effort are we putting into keeping them as jewels for eternal life in the kingdom of God? Are we so filled with the Holy Spirit ourselves that others are drawn to us wanting to know more of the love of Christ? Any soldiers, of any army, must first be trained. And as a soldier in the Lord’s army, this same principle **MUST** apply if Heaven is to be our home

the cause of Christ and the mission He has laid before us. Night is quickly approaching. We must wake from our apostasy and file into action. If the curtain of the unseen world could be pulled open, and we could see the results of our sleepiness and inactivity, sorrow and remorse would surely grip our hearts. Time is at hand! **Wake up church!** Every soul is a candidate for the Kingdom of Heaven. Every church needs to be made an agency for the salvation of souls! We must unite in truth and effort for the cause of Christ while there is still some daylight. God will bless as we are on the “go,” moving forward in the cause of Christ! Every individual and church group are to “organize” for service. It may begin with simple steps of just purchasing books to distribute as the leaves of autumn. Just pray for direction, and **MOVE** forward in Christ’s blessings. Along with individual and local work, get involved in financially supporting global work such as ours. Without God’s people uniting in an organized, systematic effort of prayer and giving, “Behold the Lamb Presents” will cease to proclaim the loud cry to prepare for our Savior’s return

via the airways. We need your help and support to get these messages out more now than ever! We are in need of money to pass out the hundreds of books we have committed to do so on a couple of our programs thus far. The response for the free books has been tremendous—we praise God for that! And the many testimonies we have received of the Holy Spirit's work on the hearts during the airing of these very timely messages has been an extremely humbling indeed. Just to experience how the Great God of universes uses weak little vessels as we all are to be His mouthpieces is simply overwhelming to say the least. One such experience occurred during a time of a high volume of calls for one of our free books entitled, *The Mark of the Beast*. A lady who was in preparation to be baptized the following weekend of her call to BTLM,

stated that after listening to the message that day via 3ABN, she simply could not go through with her original plans. She was overjoyed in the Spirit with the truth of God's Word and now knew she needed to head her life in another direction. And she so wanted to have this free book. Several persons have committed that they have accepted the truth after having watched "Behold the Lamb Presents" in the comfort of their own home. Just this week, a man called in to share how he had obtained one of our free book offers for a friend of his. After the friend read the book, he too has made the decision to become an Adventist!

We have more people writing in asking for Bible studies now as well—praise God again! And referring to the comment on watching TV in the "comfort" of your home brings to mind another

letter we recently received from California. This gentleman says that every time "Behold the Lamb Presents" is aired, he stops whatever he is doing and powers up his 6" black and white television that is powered by a 12-volt battery to watch, study, and learn! What thirsting for the truth many people have right now. So pray along with us that our hearts continue to be stirred into action with the realization of urgency of having just a short time to work for the salvation of souls! Tomorrow is not promised to anyone. TODAY is the day of salvation; TODAY is the day to **unite** in action! Make the decision to be a part of this closing work in cooperation with BTLM TODAY—we very much look forward to hearing from YOU!

In His service,
Pastor Kenny, Sister Chris, and your BTLM family!
